

## Premium Comfort Soft Footrest

Part Number: K56100WW | UPC Code: 0 85896 56100 2

Footrest and Rocker  
in a single flexible  
design.

Home and professional office workers spend hours at their desks, often in uncomfortable positions. Footrests can help improve posture and blood circulation by elevating the feet and legs, relieving pressure and discomfort on legs, back, and shoulders. The Kensington Premium Comfort Soft Footrest offers a 2-in-1 solution for those seeking office comfort: a Footrest and Rocker in a single flexible design. Made with high density foam, it includes an ultra-soft, velvet-feel fabric cover that's removable and machine washable. Silicon dots on the non-skid base keep the footrest secure, while also massaging the feet when used in the rocker position.

Features include:

- 2-in-1 Solution
- High Density Foam Construction
- Ultra-Soft Fabric Cover
- Non-Skid Base
- Supports Posture Improvement
- Compact Design
- Side-Placed Zipper

## Premium Comfort Soft Footrest

Part Number: K56100WW | UPC Code: 0 85896 56100 2

### 2-in-1 Solution

Acts as a Footrest and Rocker that can be used from both sides; users can choose how they want to support better posture from either a flat or rocking position.

### High Density Foam Construction

Fits the user's soles and supports them at the same time; perfect to use in the home office with socks or bare feet.

### Ultra-Soft Fabric Cover

Velvet-feel fabric cover is removable and machine washable.

### Non-Skid Base

Silicon dot patterned bottom surface helps keep feet securely in place; when flipped into rocker position, silicon dots help massage user's feet.

### Supports Posture Improvement

Improves posture and blood circulation by elevating the feet and legs, relieves pressure and discomfort on legs, back, shoulder, and intervertebral disc area.

### Compact Design

Fits comfortably under smaller desks; measures 43 x 30 x 10 cm

### Side-Placed Zipper

Helps prevent floor scratches.

### Two-Year Warranty

Rest assured knowing you're covered by Kensington.
