

Epson TM-P80II (132): Receipt, Autocutter, Wi-Fi, USB-C, Black, CIS/MEA

Exceptional quality, versatility, connectivity and durability, plus auto-cutter, de-curler and Qi-compatible wireless charging.

Compact and stylish, the TM-P80IIAC is lighter, yet more robust, than ever, and is packed with advanced features designed to deliver fast, high quality results. Providing outstanding flexibility, reliability, connectivity and ease-of-use, it's the perfect choice for busy, on-the-go environments such as retail, hospitality and in-vehicle applications.

Ideal for demanding on-the-go environments, such as hospitality and in-vehicle applications, the all-new TM-P80IIAC is compact, stylish and even lighter than its predecessor. Now offering enhanced impact resistance, plus protection from dust and water ingress to IP54 standards, it can handle barcodes and 2D symbols, and includes an auto-cutter and de-curler module to ensure flat, clean receipts. With USB-C connectivity, plus support for Bluetooth 5.0 "classic" and low-energy modes, it provides excellent range, seamless pairing and reliable all-day battery life, while its Wi-Fi 5 capability delivers excellent wireless performance, plus a Wi-Fi "Direct" mode, enabling direct connection of up to 8 devices without the need to connect to a network or hotspot. Plus, as the TM-P80II AC is Qi-enabled, charging is effortless, quick and reliable.

KEY FEATURES

- **Compact, ergonomic and stylish**
An all-new design that's lighter than ever and intuitive to use.
- **Advanced features**
Includes autocutter, decurler module and Qi-compatible charging.
- **Even higher durability**
