Highlights

Keystrokes for durability

Keys last millions of keystrokes for durability

Reduced the click sound

Work in comfort with silent design that reduces over 90% of noise while keeping the same typing and clicking feel.

Stylish design

The design is adjusted to be the most suitable for ergonomics after rounds of user surveys, and also takes into account stylish, slim appearance, and space saving.

Plug and play

Plug it and forget it wireless for convenience

Supports multi devices

Type-on-anything universal keyboard. This keyboard works for your computer, but also works with your smartphone or tablet.
