Portability meets productivity

Get the most out of your day, every day. This adjustable, spill-resistant Bluetooth® keyboard fits the full keyboard experience into a compact, on-the-go design that saves space in your bag or anywhere you set up. Add utility and comfort to whatever you're doing with a full numpad, directional keys, and concave keycaps that make typing quiet and comfortable.

Uncomplicated connectivity

Life is better when you have options. Seamless Bluetooth® functionality gives you the freedom to stay continuously and confidently connected anywhere you are. Connected to a desktop, your tablet, or even a mobile device, this multidevice Bluetooth keyboard delivers connectivity across multiple operating systems. With Swift Pair, quickly switch between up to three devices with the press of a button.

Create your new favorite key

Go further with more flexibility. Whether for office tasks or game play, program the F1–F12 keys¹ to act as custom shortcuts, or automate difficult keystroke combinations to make all your moves in a fraction of the time. HP Accessory Center software makes it easy to set and change commands on the fly.

Built for a better tomorrow

The better choice for a brighter tomorrow, the HP 460 Multi-Device Bluetooth Keyboard contains 50% post-consumer recycled materials². With FSC certified, plastic-free packaging, you can be confident knowing you have a Bluetooth® keyboard that is helping protect our shared future while doing amazing things for you.

Multi-OS, multi-device connectivity

Pair and switch between up to three devices over Bluetooth®.

Slim design with full numpad

Get all the functionality of a full keyboard, including a numpad, in a commute-friendly, compact design.

Programmable buttons

Your workflow, your way. A full suite of 12 programmable buttons allows you to customize your keyboard to your exact needs.

Battery powered

Two AAA batteries provide up to 24 months of productivity. No charging cable required.³

Product number	7N7B8AA
