HP ProBook 440 14 inch G10 Notebook PC

Essential, commercial-grade features

Keep your business growing with the durable, commercial-grade HP ProBook 440 14-inch laptop. Stay focused on business priorities with a device that's well-equipped for hybrid work and designed for long-term performance and easy upgradeability.

*Product image may differ from actual product

HP recommends Windows 11 Pro for business

Optimized for hybrid work

 Stand out no matter where you work. Enhance communications with lighting adjustments and optional features like Wi-Fi 6E^{3,4} and the 88-degree field-of-view 5MP camera.³ Easily connect accessories with two multifunction USB-C® ports.

Advanced security and durability

 Safeguard your business with multi-layered, endpoint security features that help protect your PC from malware and hacking. This PC passes 19 MIL-STD tests⁶ for durability and is easily serviceable—helping make the most of your IT investment.

Performance for growing business

- Keep up with demanding tasks on this feature-rich HP ProBook 440. Take on the workday with the latest Intel® processor^{2,4}, NVIDIA RTX2050 Discrete Graphics⁴, and long battery life. Easily upgrade memory and storage as needed.
- Work anywhere without compromising on performance or security with Windows 11, powered by HP collaboration and connectivity technology.¹
- Configure your HP ProBook 440's CPU for the perfect combination of power, snappy performance, and value.
 The latest Intel® processor handles multiple work tasks smoothly and reliably with multiple processing cores to divide up the work.^{2,4}
- HP Wolf Security for Business creates a hardware-enforced, always-on, resilient defense. From the BIOS to the browser, above, in, and below the OS, these constantly evolving solutions help protect your PC from modern threats.⁷
- Whether on a call, recording video, or taking photos, the HD with IR or optional 5MP camera with Temporal Noise Reduction provides exceptional clarity and increased definition. Keep everyone in view with an 88-degree field of view.
- Boost your laptop's performance with optional NVIDIA® GeForce RTX2050 discrete graphics. Enable fast
 execution for your computing, multimedia, and Al workloads with enhanced, dedicated next-gen graphics.⁴
- Stay connected almost anywhere with the optional embedded CAT16 WWAN. Highly reliable advanced network connectivity helps expand connectivity and enhance security.⁸
- Quickly transition to desktop productivity with two multi-function USB Type-C® ports. Simply connect with USB-C® cables from your laptop to your displays and other peripherals.
- Utilize the optional HP Wolf Protect and Trace service with threshold cryptography to find, lock, and erase data from all of your premium HP devices, helping ensure that your sensitive information is protected.¹⁰
- Enjoy vibrant FHD images with 400 nits of brightness, adding a new dimension to digital content. Combined with a Low Blue Light panel, this screen helps provide an enhanced overall viewing experience.^{4,11}
 Elevate your laptop's performance with up to 32GB dual channel memory. Easily upgrade with an easy-open
- cover featuring self-capturing screws and maintain memory to meet the growing demands of your business. 12
 Firmware attacks can completely devastate your PC. Stay protected with HP Sure Start Gen7, the self-healing
- BIOS that automatically recovers itself from attacks or corruption.¹³
- Stop unwanted changes to security settings and help limit the spread of malware with HP Sure Run Gen5 which
 identifies, quarantines, and provides reporting on attackers trying to kill processes.¹⁴

HP Care Pack Services are optional extended service contracts that go beyond the standard limited warranties. To choose the right level of service for your HP product, use the HP Care Pack Services Lookup Tool at: http://www.hp.com/go/cpc. | | |

HP ProBook 440 14 inch G10 Notebook PC

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com. ² Wulticrore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

Requires mvHP application and Windows OS.

- * Requires myH* application and Windows Us.

 4 Optional feature that must be configured at the time of purchase.

 5 Wi-Fi 6E requires a Wi-Fi 6E requires a Wi-Fi 6E router, sold separately, and Windows 11 to function in the 6GHz band. Availability of public wireless access points limited. Wi-Fi 6E is backwards compatible with prior 802.11 specs. And available in countries where Wi-Fi 6E is supported.

 6 MiL-STO testing is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Service.

 7 HP Wolf Security for Business requires Windows 10 and higher, includes various HP security features and is available on HP Pro, Elite, Workstation, and RPOS products. See product details for included security features and OS requirements.

 8 WWAN is an optional feature, requires factory configuration and separately purchased service contract. Check with service provider for coverage and availability in your area. 4G LTE not available on all products, in all regions.

9 USB-C® cables sold separately and not included.
10 HP Wolf Security Protect and Trace is and optional feature and is available for select HP 400, 600, 800, 1000, Windows based Elite Dragonfly Laptops, select 800 desktops, and Z1 G8 Workstations and will function when the device is powered on and connected to the Internet. HP TechPulse a telementry and analytics platform that provides critical data around devices and applications and is not sold as a standalone service. HP TechPulse follows stringent GDPR privacy regulations and is ISO27001, ISO27017 and SOCZ Type2 certified for Information Security. Internet access with connection to TechPulse portal is required. For full system requirements, please visit http://www.hpdaas.

12 Dual channel memory is sold separately or as an optional feature. Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at

- the lower memory speed.
- HP Sure Start Gen7 is available on select HP PCs and requires Windows 10 and higher 4 HP Sure Run Gen5 is available on select HP PCs and requires Windows 10 and higher

Technical Specifications Footnotes
