|                        |                                                                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Extended retailer text | <p>Duurzaam type</p> <p>Het Thado TKL Toetsenbord is gemaakt van 74% gerecycled plastic. Daarmee maak je je setup meteen een stuk milieuvriendelijker.</p> |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|

Lekker opgeruimd

Het compacte, tenkeyless (TKL) design neemt weinig ruimte in op je bureau en houdt je setup goed geordend. Alle focus gaat naar je game – en ook een beetje naar de goede looks van je gear.

Schitterend lichtpuntje

Meerkleurige ledlichten brengen je games tot leven. Zo ben jij altijd de ster van elke multiplayer-sessie.

Specifications
