EAN-13: 0766623168311 | UPC: 766623168311

Surge Protector Power Strip - German type - 6 outlets with switch - Power up to six devices in home and office

Plug your printer, PC, router, TV, or other home/office electronics into this 6-outlet power strip from Manhattan. It is compatible with standard electrical equipment and features six German Type F outlets in a durable white plastic housing for a clean look. For maximum safety, it features a surge suppression rating of 250 joules to defend your sensitive electronic components against power surges and spikes. The illuminated on/off switch provides one-touch control over all connected devices.

Features:

- Six-way power strip for standard electrical equipment, ideal for home and office use
- 250 joule surge protection against dangerous power surges and spikes
- Built-in 2 m power cord with German Type F plug
- Illuminated two-pole on/off safety switch
- Sockets with increased touch protection through contact shutters
- Housing with IP20-rated protection
- Right-angled outlet orientation
- Durable plastic housing
- For indoor use only
- Three-year warranty
