

HP 470 17 inch G10 Notebook PC

Big screen productivity on the go

Built for productivity, the attractively designed HP 470 delivers desktop performance and laptop mobility with essential features for today's workforce. The 17-inch diagonal display with an anti-glare³ option, delivers an expansive viewing experience.

Ready for work

Power through projects with performance features common to a desktop all in your laptop. Enjoy the raw performance of the latest Intel® Core™ processor², NVIDIA® discrete graphics³, and up to 1TB of storage.⁴

Stay productive

Business demands more from a PC. This 17-inch diagonal laptop comes equipped with the features like a full numeric keypad, a precision touchpad, and firmware TPM protection to keep up with your business in the office and on the go.

In the office or on the go

Work where you need to around the office with mobility features like HP Fast Charge⁵, an HD camera, and an onboard microphone. See everything clearly on the optional narrow border full HD⁶ wide-viewing angle anti-glare IPS display.³

HP 470 17 inch G10 Notebook PC

Featuring

Your fingerprint, your password

Forget about usernames and passwords. Simply log on to Windows and web sites, via using an optional fingerprint reader.³

Help keep data safe

Help protect your investment and your data with firmware TPM.

Preserve your privacy

Never wonder if someone is watching you with the added peace-of-mind that comes from the integrated HP Privacy Camera, with a physical shutter to protect from malicious surveillance.⁷

Brighten your work

Type easily in low light with a stylish optional backlit keyboard.³

Fast and efficient wireless LAN

The portability of your PC and the reliability of a fast connection determines where you can work. Get a fast and reliable connection in dense wireless environments with gigabit-speed Wi-Fi 6.^{8,9}

Connect without hassles

Say goodbye to dongles and have all the connections you need, including one USB Type-C® 3.2 Gen1, two USB Type-A 3.2 Gen1, and an HDMI port.

Outstanding battery life and fast charging

Outstanding battery life gets you through a day of back-to-back meetings without plugging in. HP fast-charging technology recharges your battery 50% in 30 minutes.¹⁰

Technical specifications

Management features	HP SSRM; Windows Push Button Reset Recovery
Power	HP Smart 65 W EM External AC power adapter; HP Smart 45 W External AC power adapter ¹⁷
Battery type	HP Long Life 3-cell, 41 Wh Li-ion ¹⁶ ; Battery is internal and not replaceable by customer. Serviceable by warranty.
Battery life	Up to 8 hours ¹⁵
Dimensions	40.07 x 25.78 x 1.99 cm; 2.71 x 20.47 x 12 in 6.9 x 52 x 30.5 cm (Package)
Weight	Starting at 2.08 kg; (Weight will vary by configuration. Does not include power adapter.)
Ecolabels	EPEAT® registered configurations available; CECP; IT ECO Declaration; SEPA; Taiwan Green Mark; Japan PC Green Label; KOECO ¹⁹
Energy star certified	ENERGY STAR® certified
Sustainable impact specifications	Low Halogen; Bulk packaging available; Molded paper pulp cushion inside box is 100% sustainably sourced and recyclable; Outside box and corrugated cushions are 100% sustainably sourced and recyclable ^{18,21}
Warranty	HP Services offers 1-year limited warranties and 90-day software support depending on country. Batteries have a default one year limited warranty. Refer to http://www.hp.com/support/batterywarranty/ for additional battery information. On-site service and extended coverage is also available. HP Care Pack Services are optional extended service contracts that go beyond the standard limited warranties. To choose the right level of service for your HP product, use the HP Care Pack Services Lookup Tool at: http://www.hp.com/go/cpc .

HP 470 17 inch G10 Notebook PC

Footnotes

Messaging Footnotes

- ² Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
- ³ Optional feature must be configured at purchase.
- ⁴ For storage drives, GB = 1 billion bytes, TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30GB (for Windows) is reserved for system recovery software.
- ⁵ Recharges your battery up to 50% within 30 minutes when the system is off or in standby mode. Power adapter with a minimum capacity of 65 watts is required. After charging has reached 50% capacity, charging will return to normal. Charging time may vary +/-10% due to System tolerance
- ⁶ Full high-definition (FHD) content required to view FHD images.
- ⁷ HP Privacy Camera only available PCs equipped with HD or IR camera and must be installed at the factory.
- ⁸ Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 6 is backwards compatible with prior 802.11 specs.
- ⁹ Wi-Fi® supporting gigabit speeds is achievable with Wi-Fi 6 (802.11ax) when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 160MHz channels.
- ¹⁰ Recharges your battery up to 50% within 30 minutes when the system is off or in standby mode. Power adapter with a minimum capacity of 65 watts is required. After charging has reached 50% capacity, charging will return to normal. Charging time may vary +/-10% due to System tolerance.

Specification Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- ² Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
- ³ Processor speed denotes maximum performance mode; processors will run at lower speeds in battery optimization mode.
- ⁴ Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See <http://www.intel.com/technology/turboboost> for more information.
- ⁵ In accordance with Microsoft's support policy, HP does not support the Windows 8 or Windows 7 operating system on products configured with Intel and AMD 7th generation and forward processors or provide any Windows 8 or Windows 7 drivers on <http://www.support.hp.com>.
- ⁶ Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.
- ⁷ For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10 and 11) is reserved for system recovery software.
- ⁸ Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 6 (802.11ax) is backwards compatible with prior 802.11 specs.
- ⁹ SuperSpeed USB 20Gbps is not available with Thunderbolt™ 4.
- ¹⁰ HD content required to view HD images.
- ¹¹ Intel® Iris® Xe Graphics capabilities require system to be configured with Intel® Core™ i5 or i7 processors and dual channel memory. Intel® Iris® Xe Graphics with Intel® Core™ i5 or 7 processors and single channel memory will only function as UHD graphics.
- ¹² Integrated graphics depends on processor. NVIDIA® Optimus™ technology requires an Intel processor, plus an NVIDIA® GeForce® discrete graphics configuration and is available on Windows 10 Pro OS. With NVIDIA® Optimus™ technology, full enablement of all discrete graphics video and display features may not be supported on all systems (e.g. OpenGL applications will run on the integrated GPU or the APU as the case may be).
- ¹³ Resolutions are dependent upon monitor capability, and resolution and color depth settings.
- ¹⁴ Free 30 day subscription of McAfee LiveSafe service included. Internet access required and not included. Subscription required after expiration.
- ¹⁵ Windows MM18 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details.
- ¹⁶ For new batteries, actual battery Watt-hours (Wh) may differ from the design capacity and may have a full charge capacity that differs by up to 10, which is typical for lithium-ion batteries. Battery capacity naturally decreases over time and with use, depending on several factors such as battery health management settings, shelf life, temperature, environment, loaded apps, features, system configuration, and power settings.
- ¹⁷ Availability may vary by country.
- ¹⁸ 100% outer box packaging and corrugated cushions made from sustainably sourced certified and recycled fibers.
- ¹⁹ Based on US EPEAT® registration according to IEEE 1680.1-2018 EPEAT®. Status varies by country. Visit www.epeat.net for more information.
- ²⁰ Backlit keyboard is an optional feature.
- ²¹ Plastic cushions are made from >90% recycled plastic.
