

Cubi N ADL

CUBI N ADL-019BUS

Specification

|                        |                                                                                                                  |
|------------------------|------------------------------------------------------------------------------------------------------------------|
| Manufacturer Part #    | CUBINADL019B                                                                                                     |
| OS                     | Not Included                                                                                                     |
| CPU                    | Intel Pentium N200 4C/4T 6MB Cache                                                                               |
| Chipset                | Intel SoC                                                                                                        |
| Motherboard            | Proprietary                                                                                                      |
| CPU Cooler             | Air Cooler                                                                                                       |
| VGA                    | Intel® UHD                                                                                                       |
| Memory (GB)            | Not Included - Supports 2x DDR4 2666MHz SO-DIMM, up to 64GB                                                      |
| LAN                    | 2x RJ45 (1GbE)<br>Realtek RTL8111H                                                                               |
| Wireless Communication | Intel Wireless AC 9462 or AC3168                                                                                 |
| Audio                  | 1x combo, HD Audio<br>(Realtek ALC283)<br>N/A                                                                    |
| Video Port             | 1xHDMI™-out(2.1)<br>1xDPout(1.4)                                                                                 |
| Expansion Slots        | 1x 2.5" HDD                                                                                                      |
| USB                    | Front:<br>2x USB 3.2 Gen1 Type-A (Super Charge)<br>1x USB 3.2 Gen 2 Type-C (DP Alternate)<br>Rear:<br>2x USB 2.0 |
| HDD/SSD                | Not Included<br>1x M.2 SSD (PCIe/ SATA auto switch)<br>1x 2.5" HDD / SSD                                         |
| Peripherals            | Not Included                                                                                                     |
| Power Supply           | 65W                                                                                                              |
| Dimensions             | 4.41" x 4.57" x 1.77"                                                                                            |
| Weight                 | 1 lbs                                                                                                            |
| Warranty               | 1 Year                                                                                                           |
