

ThinkPad P15v Gen 3 (AMD)

The new ThinkPad is here to complement your style and personality with a range of next-gen features. Whether you are streaming your favorite show, editing photos or powering through work emails, the NVIDIA RTX A2000 graphics and AMD Ryzen 7 PRO up to 8 core processors make everything that you do easier. Immerse yourself in the 15.6" UHD display, 100% Adobe RGB color gamut and unmatched picture quality with Dolby Vision Display HDR 400.

Competing with bandwidth is now out of option. The onboard Gigabit ethernet keeps you connected with fast and consistent speeds almost anywhere. With USB 4 and USB 3.2 Gen 1 connectivity ports, create your ultimate productivity setup with external monitors and peripherals.

Up to 64GB DDR5-4800 memory and with blazing-fast dual SSD storage drives (M.2 2280 SSD up to 4TB, 2TB each, RAID 0/1 support), it powers through compute-intensive heavy-duty files and applications with ease.

Configured with up to NVIDIA® Laptop GPU graphics and up to 16-core AMD Ryzen 7 PRO 6850H processor, this Thinkpad helps content creators experience next-level performance during graphic designing and illustration works.

Professional machines for advanced users

This 15.6" display ThinkPad P Series mobile workstations offer a choice of professional graphics and processor options.
