- Slim, attractive design.
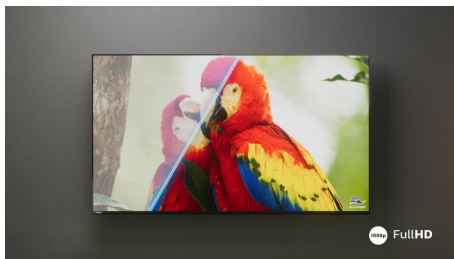

Looks great, whatever you watch or play.
- Rich colours and smooth motion, for TV and more.
- Good for gaming. Low input lag on any console.

PHILIPS

Highlights

Sharp picture

Love everything you watch on this Full HD LED TV. The TV's processing engine optimises picture quality to deliver sharp images, rich colours and smooth motion. You get the best possible viewing experience every time.

Philips Smart TV

You'll find everything fast with our new smart TV. Enjoying a series? You can continue watching straight from the home screen. If you're looking for something new, you can browse categories like action or drama and see suggestions from the top streaming services — all in one place.

AI voice control

There's a choice of voice assistants! You can control the TV and ask Google Assistant to find shows and movies via Google smart speakers, or ask Alexa via Alexa-enabled devices.

Sustainable packaging.

This TV isn't just an investment in great picture and sound — it's also an investment in the future. Our packaging uses FSC-certified recycled cardboard and our printed materials use recycled paper.

Slim, attractive design.

Looking for a TV that fits with your room? The virtually bezel-free screen of this smart TV goes with just about any interior. The slim, light-grey feet make it seem as if the screen is floating.

Good for gaming

Enjoy gaming? A low input lag setting activates automatically when you turn on your console, giving you smooth play even when the action gets intense.
