

Philips Performer Active  
Vacuum cleaner with bag

Energy efficiency class B

AirflowMax technology  
TriActive+ nozzle  
EPA 10 washable filter

FC8660/69

## Full performance

### Less energy consumption

The new Philips PerformerActive delivers a better clean thanks to the AirflowMax technology and the TriActive+ nozzle.

#### Convenience

- Reach all corners thanks to the extra-long ergonomic grip

#### Excellent cleaning results

- New 3-in-1 TriActive+ nozzle picks up coarse and fine dust
- Revolutionary AirflowMax technology for extreme suction
- 4 L dust capacity for longer cleaning

#### Integrated Anti-Allergy system

- S-bag Classic Long Performance lasts up to 50% longer
- AirSeal with EPA10 filter for healthy air

# PHILIPS

## Highlights

### TriActive+ nozzle

The TriActive+ nozzle applies 3 cleaning actions in one go: 1) It gently opens the carpet with its specially designed soleplate to remove the dust deep down. 2) It sucks up bigger bits of dirt with its larger opening at the front. 3) It sweeps up the dust and dirt alongside furniture and walls with its two side brushes.

### Extra-long ergonomic grip

This ergonomically shaped grip is convenient in use. Its extra-long design gives you further reach, so you can easily clean hard-to-reach places.

### 4 L dust capacity

The specially designed 4 L dust chamber allows you to make optimal use of your dust bag, so you can clean for longer.

### S-bag Classic Long Performance

This new Philips synthetic dust bag has been developed to provide long-lasting vacuum cleaner performance, i.e. a high level of suction power and maximum filtration, up to the moment the dust bag is full and ready for disposal.

### AirflowMax technology

AirflowMax technology maximises the airflow, allowing the dust bag to unfold uniformly so you get high suction power, even as the bag fills up!

### AirSeal with EPA10

EPA10 filter and AirSeal capture the finest dust before the air is blown out for a dust-free environment and clean, healthy air.

## Specifications

### Performance

- Input power (IEC): 750 W
- Annual energy consumption: 33.5 kWh
- Airflow (max): 29.3 l/s
- Sound power level: 79 dB
- Vacuum (max): 18.9 kPa

### Design

- Colour: Deep black and green

### Usability

- Tube coupling: Conical
- Action radius: 9 m
- Cord length: 6 m
- Carrying handle: Front
- Tube type: Metal 2-piece telescopic tube
- Handgrip: Ergonomic grip with air slider
- Wheel type: Rubber
- Park or storage assist: Vertical and horizontal

### Nozzles and accessories

- Standard nozzle: TriActive+ nozzle
- Accessories included: Crevice tool, Small nozzle

### Weight and dimensions

- Dimensions of product (LxWxH): 447 x 304 x 234 mm
- Weight of product: 5.2 kg

### Sustainability

- Packaging: > 90% recycled materials
- User manual: 100% recycled paper

### Filtration

- Dust capacity: 4 L
- Exhaust filter: EPA 10 filter
- Motor filter: Micro filter
