Dreame Hair Glory Combo

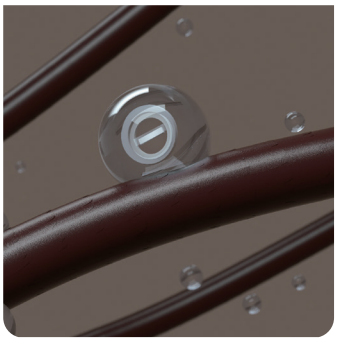
High-Speed Hair Dryer

Get fast and efficient hair drying with powerful airflow, negative ion technology, and innovative hair styling options. An ergonomic design and intuitive LED indicators provide a premium look to your hair, while a compact design makes storage a breeze.

Key Features

Fast Motor. Quick Drying

Experience a 2-minute drying of shoulder-length hair with a 110,000RPM motor, generating 70m/s air speed and 55m³/hour air volume.Hair Glory Combo reaches roots faster and effectively eliminates scalp moisture.



Negative iron Technology for Healthy and Smooth Hair

300 million anions/cm³ neutralize static electricity to smooth hair. Full negative discharge boosts the anion concentration by 30 times* compared to the previous model, helping to close the hair cuticles, lock in moisture, and enrich your hair.

Tailored Hair Styling with a Game-Changing Diffuser

Level up your daily hair styling routine with Dreame's new CurlCraft diffuser. Its precise 919 holes ensure a stable airflow system for smooth, frizz-free curls.

Weigh Less to Reduce Arm Fatigue

With a 345g lightweight build and a compact 82mm main cylinder, Hair Glory Combo allows for a less tiring blow-drying experience. 4 intuitive LEDs indicate drying mode at a glance for your simple use.
