

For U.S.A. and Canada

WARNING

English

Hearing Comfort and Well-Being

- Do not play your personal audio at a high volume. Hearing experts advise against continuous extended play.
- If you experience a ringing in your ears, reduce volume or discontinue use.

Traffic Safety

- Do not use while operating a motorized vehicle. It may create a traffic hazard and is illegal in many areas.
- You should use extreme caution or temporarily discontinue use in potentially hazardous situations.
- Do not turn up the volume so high that you cannot hear sound around you.

CAUTION

- Stop using the headphones if they are causing great discomfort or irritation on the skin and the ears. They may damage your skin and cause rash or inflammation.
- In dry air conditions such as in winter, you may feel some static shock when using the headphones.

* If ear piece or other parts of headphones become lodged in your ear, be careful not to push it deep into the ear canal and seek skilled medical assistance to remove the piece. Damage to the ear may be caused by non-professionals attempting to remove the piece.

* Store the ear pieces in a safe place where children cannot reach them to avoid the risk of a possible accident or hazard such as swallowing them.

* Attach the ear pieces firmly when replacing them; failure to do so may result in the ear pieces getting lodged in your ear canal when removed, thus becoming a possible health hazard.

Français

Confort d'écoute et bien-être

- N'utilisez pas votre appareil audio personnel à un volume trop élevé. Les professionnels de l'audition déconseillent une écoute prolongée.
- Si vous entendez des sonorités dans vos oreilles, réduisez le volume ou arrêtez d'utiliser l'appareil.

Sécurité relative à la circulation

- N'utilisez jamais un casque en conduisant une voiture, une bicyclette. Cela peut être dangereux et est illégal dans beaucoup de régions.
- Vous devez faire très attention ou arrêter temporairement d'utiliser l'appareil dans les situations dangereuses.
- Ne réglez pas le niveau sonore maximum de telle sorte que vous ne pourrez plus entendre ce qui se passe autour de vous.

Español

Confort y salud de su audición

- No reproduzca sonidos con el volumen alto. Los expertos en audición desaconsejan la reproducción continua por períodos prolongados.
- Si escucha un zumbido en sus oídos, reduzca el volumen o deje de utilizarlos.

Seguridad en el tráfico

- No los utilice cuando conduzca un vehículo a motor. Podría provocar un accidente de tránsito y es ilegal en muchos lugares.
- En situaciones potencialmente peligrosas debe tener suma precaución o dejar de utilizarlos.
- No ponga el volumen tan alto que impida oír lo que ocurre a su alrededor.

English

For U.S.A.

Supplier's Declaration of Conformity
Model Number : HA-FR9UC
Trade Name : JVC
Responsible party : JVCKENWOOD USA Corporation
Address: 1440 Corporate Drive, Irving, TX 75038
Telephone Number: 678-449-8879

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and

(2) this device must accept any interference received, including interference that may cause undesired operation.

Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

For Canada

CAN ICES-3 (B)

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must accept any interference, including interference that may cause undesired operation of the device.

Français

Pour le Canada

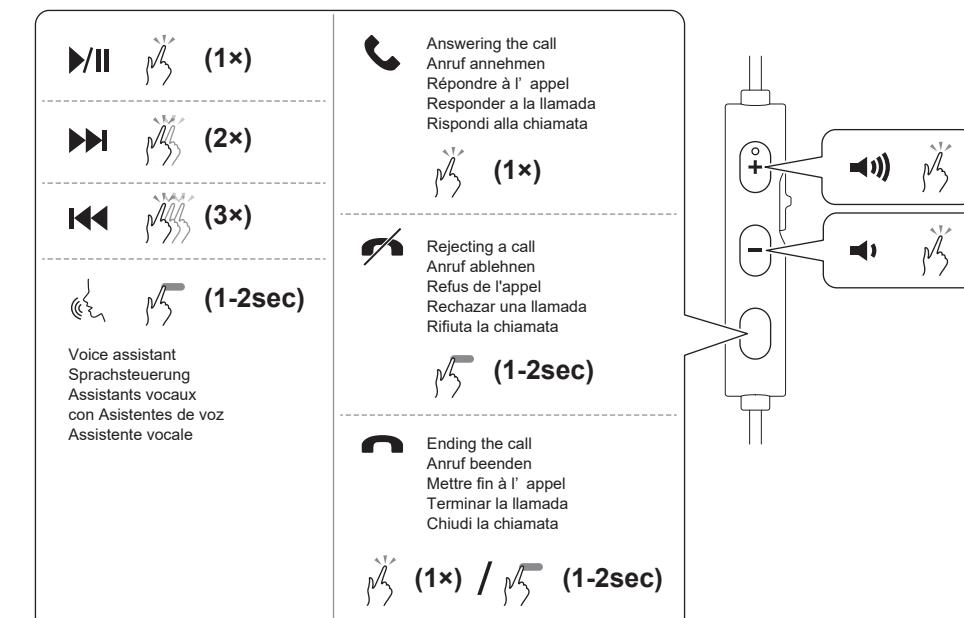

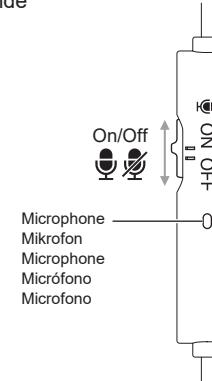

NMB-3 (B)

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

1. L'appareil ne doit pas produire de brouillage;
2. L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.
