## Key features

**1000R Curvature:** Immerse yourself in work or design projects. A 34" 1000R curved display surrounds you with a 21:9 aspect ratio. The curve closely matches the human field of sight, so you can maximize your screen real estate and reach new levels of productivity with less eye strain.

**1 billion colors with HDR10:** See a wider gamut of colors for stunning accuracy and detail. HDR10 provides near limitless hues and true-to-life color representation, with darker darks and the brighter brights. Every piece of content becomes a joy to look at and can be experienced exactly as intended.

**A built-in camera and Windows Hello:** Stay connected through video calls and streaming without any extra devices. When it's not needed, the camera can be pushed down into the monitor to keep a sleek profile. Windows Hello uses the camera and biometrics to securely sign you into any Windows 11 device, app or website without a password.

**USB type-C:** USB-C provides up to 90W power delivery for fast charging, high-speed data transfer, video signals and more. All from one cable.

**SAMSUNG**

All tests and measurements were conducted by Samsung internally.

<sup>1</sup>Eye Comfort Validation by TÜV Rheinland: Samsung Curved Monitor was validated by TÜV Rheinland, the worldwide recognized certification institute in Germany. TÜV Rheinland tested the performance of Samsung Curved Monitors on reducing picture distortion and increasing eye comfort. 80% of participants in the eye comfort test has chosen comfortable for curved monitor. For more details, visit [www.tuv.com](http://www.tuv.com).

<sup>2</sup>Based on internal testing data of S80PB, S80TB and T45F monitors only. Testing compared energy usage of these models with Eco Saving Plus mode, also known as Save Energy on newer models, switched on high setting and switched off. Actual energy savings may vary based on usage conditions, brightness levels, and model selected. Eco Saving Plus is not available in Dynamic Contrast Mode, Game Mode, Eye Saver Mode, or when PIP/PBP Mode is on.

<sup>3</sup>See [www.tcocertified.com](http://www.tcocertified.com) for more information.

<sup>4</sup>See [www.epeat.net](http://www.epeat.net) for more information.

<sup>5</sup>All models are staple free. All recycled plastics used in our monitors are chemical spray-free.
