PHILIPS

Highlights

Delicious crispier results

Philips' Rapid Air technology creates 7 x faster airflow for deliciously crispy results**. Enjoy healthier and tasty snacks and meals that are crisped to perfection yet tender on the inside.

1.5 times faster than oven

The Philips Airfryer is ready to use without any pre-heating so you don't need to wait. Thanks to a combination of instant heat-up and Rapid Air flow, your delicious meals will be ready 1.5 times faster than in the oven*

Digital control

Use the digital interface of the Philips Airfryer XL to precisely and easily control the time and temperature and get perfectly cooked meals, every time.

Air is the new oil

Air is the new oil! Philips Airfryer XL uses hot air to cook your favourite foods to crispy perfection with up to 90% less fat.*

Easy to use and clean

The Philips Airfryer's QuickClean basket is made with non-stick mesh for easy cleaning. All the removable parts are dishwasher safe. Frying with air also means your home will be free from the odour of traditional deep frying.

Save your favourite meal

We all have our favourite dishes. Whether it's a warm breakfast or a favourite family dinner, with the Philips Airfryer XL it's easy to save

your favourite meal at the perfect time and temperature for stress-free cooking.

Limitless recipe inspirations

Discover hundreds of mouth-watering recipes in our app or use the free mini recipe book included with the Philips Airfryer for healthier, tasty meals.

7 times faster airflow

The Philips Airfryer combines a "starfish" bottom design with fast-circulating, super-heated air, resulting in optimal heat distribution. This unique combination allows the airfryer to cook a variety of foods to a delicious, crispy result with little or no added oil.
