Hisense 2.0 Ch Soundbar

MODEL **HS205G**

Superior Sound

The Hisense HS205G with 2.0 Channel Soundbar creates incredible sound in a compact and sleek form factor. Using the HDMI (ARC) connection, you can control both your Roku TV and the soundbar with the Roku TV remote. A simple audio alternative that delivers a huge entertainment experience.

Enjoy Better TV Sound

Easy to place and connect your television, the Hisense HS205G is a soundbar that improves your TV sound experience and is perfect for your TV's 32" or larger.

Easy Connectivity

With HDMI (ARC), the Hisense HS205G can connect to your TV through a single HDMI cable (included), connect wirelessly via Bluetooth, and control both with one remote.

Quick Touch EQ Modes

Get the best audio performance from music, movies, and news with a simple touch of the remote with multiple preset EQ settings.

Simple, Compact Design

The compact and elegant all-in-one design with built-in sub-woofer will easily fit in your living room, bedroom, or family room space.

Wireless Music Streaming

The HS205G includes Bluetooth technology for easy wireless connections to smart device. Enjoy music from your smartphone, tablet or laptop.

Roku TV Ready

As Roku TV Ready device, the Hisense HS205G Soundbar is fully compatible with any Roku TV through the HDMI (ARC) connection. You can even use the Roku TV remote to control both the TV and Soundbar for easier setup and better navigation experience.

Accessories included

Everything, you need to get started. We have included an HDMI cable, optical cable, and a wall mounting kit to make sure you have what you need to make the most of your Hisense audio experience right out of the box.
