Lenovo L22i-40 Monitor

Stylish display for work and play.

Fun to use. Hard to beat.

Get your work done in style with the Lenovo L22i-40 Monitor. Its 21.5-inch screen strikes the perfect balance between a large screen size and an overall compact form factor that doesn't take up excessive desk space. Your work documents and meetings will look clearer than ever on the FHD 1920 x 1080 resolution display. Get the occasional color critical work done without a worry with its 99% sRGB color gamut coverage. See more of all those large excel spreadsheets without having to zoom out on the 3-side NearEdgeless display. Call your friends over, sit back and watch movies come to life on the In-Plane Switching display that offers no distortion even from wide-viewing angles. Your favorite games will play smoothly with its rapid 75Hz[1] refresh rate. Get used to being a winner with the display's stutter-free gameplay supported by AMD Freesync™[2]. Easily connect your computer to the monitor using the 1 x HDMI 1.4 and 1 x VGA ports. The Lenovo L22i-40 Monitor's superior audio quality gives music, movies, or work meetings, loud and clear stereo sound with two built-in 3W speakers. The Natural Low Blue Light technology certified with Eyesafe 2.0 and TÜV Low Blue Light ensure that your eyes don't experience any strain and eliminate harmful blue light, all without causing any color distortion. Adjusting your monitor's settings won't be a chore because Lenovo's Artery Software[3] makes it easier than ever before. Give your work setup an updated, minimal and contemporary look with the monitor's 6.9 mm ultra slim head, cloud grey color and chic metal frame stand. Keep your table clean and your setup ergonomic with built-in cable management. Keep your phone in view with the integrated phone stand. Whether it's work, music, games or entertainment, the Lenovo L22i-40 Monitor lets you do it all with unbeatable style.

Designed with a modern aesthetic

The Lenovo L22i-40 Monitor is designed to fit in perfectly with any modern home or office with its contemporary 6.9 mm slim head design, cloud grey color, and stylish metal frame stand. Keep your desk clutter-free with built-in cable management. Work simultaneously on your phone and your monitor by using the integrated phone stand to prop up your phone.

Made to work and entertain

Connecting your computer to the monitor is a breeze with the availability of 1 x HDMI 1.4 and 1 x VGA ports. Enjoy clear, stereo audio with the two built-in 3W speakers, or use your own set of speakers or earphones using the audio out port. The Lenovo L22i-40 Monitor is a great monitor for gaming with its 75Hz[1] refresh rate and AMD FreeSync™[2] support, which together ensure buttery smooth, stutter-free gameplay.

Engineered for viewing perfection

See more of both work and entertainment with the 3-sided NearEdgeless screen. Lenovo's L22i-40 Monitor is equipped to handle color-critical work with its 99% sRGB coverage. It also features Natural Low Blue Light technology certified with Eyesafe 2.0 and TÜV Hardware Low Blue Light which ensure that the monitor eliminates harmful blue light without any color distortion so that your eyes don't experience any strain or fatigue as you work.

[1] For HDMI only. | [2] AMD FreeSync™ technology only can work with AMD Radeon™ series graphics card. | [3] This software can only be used with Windows 10 & Windows 11.
