

Key **Features**

- AMD FreeSync™ Premium for smooth gameplay
- 170Hz refresh rate for smooth gameplay
- Rapid 1ms MPRT for crisp image
- IPS Display with HDR10
- 2KQHD resolution for incredible detail

Product **Description**

With an immersive 170Hz refresh rate, the ViewSonic VX2780J-2K provides a stunning viewing experience. The monitor has been a high 170Hz refresh rate delivers smooth animations with minimal input lag while variable refresh rate prevents screen tearing and stuttering for a fluid gaming experience. With 1ms MPRT response time, the monitor delivers unprecedented screen quality and speed. VX2780J-2K is also equipped with ViewSonic's exclusive ViewMode™ presets, which offer optimized screen performance for different home entertainment applications, such as watching movies, editing, or playing video games. In addition, a DisplayPort and two HDMI inputs offer flexible connectivity for both general use and entertainment.
