Footnotes

Key Selling Points Footnotes

¹ The Flicker-free capability is driven by eliminating screen flickering through integrating DC-dimming LED backlights.

² Features may require software or other 3rd party applications to provide the described functionality. Internet service required and not included.

³ Desktops manufactured with ocean-bound plastic material in panel frame, rear cover and vent over contain post-consumer recycled plastic. Percent of recycled materials contained in each component varies by product.

⁴ Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

⁵ Desktops manufactured with ocean-bound plastic material in panel frame, rear cover and vent over contain post-consumer recycled plastic. Percent of recycled materials contained in each component varies by product. Based on HP's internal analysis as of 5.28.2021 Calculation based on grams per product (using 12.7 grams per 16.9 ounce "single serve" bottled water container).

Feature Messaging Footnotes
