

## 43" Full HD professional large format display with USB media playback

Set in a slim bezel, the iiyama LE4341S is a professional digital signage display offering 18/7 operating time and landscape orientation.

This Full HD and fanless IPS display guarantees great viewing from all angles, high brightness and exceptional colour clarity. With the built-in media player you can play your favourite music and show your most beautiful videos, photos and images directly on screen.

### Media player

Play your favourite music and show your most beautiful videos, photos and images directly on screen from a flash drive or internal memory with the built-in media player.

### LAN Control

LAN control enables making adjustments in the display OSD menu through your network (software not included).

## 01 DISPLAY CHARACTERISTICS

|                                  |                                                                       |
|----------------------------------|-----------------------------------------------------------------------|
| Design                           | Thin bezel                                                            |
| Diagonal                         | 42.5", 108cm                                                          |
| Panel                            | IPS, haze 1%                                                          |
| Native resolution                | 1920 x 1080 (2.1 megapixel Full HD)                                   |
| Aspect ratio                     | 16:9                                                                  |
| Panel brightness                 | 350 cd/m <sup>2</sup>                                                 |
| Static contrast                  | 1200:1                                                                |
| Response time (GTG)              | 8ms                                                                   |
| Viewing zone                     | horizontal/vertical: 178°/178°, right/left: 89°/89°, up/down: 89°/89° |
| Colour support                   | 1.07G (8 Bits+FRC) (NTSC 72%)                                         |
| Horizontal Sync                  | 30 - 83kHz                                                            |
| Viewable area W x H              | 941.2 x 529.4mm, 37.1 x 20.8"                                         |
| Bezel width (sides, top, bottom) | 14mm, 14mm, 14mm                                                      |
| Pixel pitch                      | 0.490mm                                                               |
| Bezel colour and finish          | black, glossy                                                         |

## 02 INTERFACES / CONNECTORS / CONTROLS

|                        |                                      |
|------------------------|--------------------------------------|
| Analog signal input    | VGA x1 (max. 1920x1080 @60Hz)        |
| Digital signal input   | HDMI x3 (max. 3840x2160 @60Hz)       |
| Audio input            | Mini jack x1                         |
| Monitor control input  | RS-232c x1<br>RJ45 (LAN) x1<br>IR x1 |
| Audio output           | RCA (L/R) x1<br>Speakers 2 x 10W     |
| Monitor control output | RS-232c x1<br>IR loop through x1     |
| HDCP                   | 2.2                                  |
| USB ports              | x1 (2.0, FW update support)          |

## 03 FEATURES

|                              |         |
|------------------------------|---------|
| Max. non-stop operating time | 18/7    |
| Anti image retention         | yes     |
| Media playback               | yes     |
| Housing (bezel)              | plastic |

## 04 GENERAL

|                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

| Control buttons | Power, Mute, Input, Plus, Minus, Up, Down, Menu                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| User controls   | picture (picture format, colour temp., noise reduction, dynamic contrast, gamma, brightness, black level, colour, contrast, hue, sharpness, RGB range, reset), Sound (treble, bass, balance, speaker, audio output, reset), general settings 1 (menu languages, clock, schedule, HDMI CEC link, HDMI modes, communication setting), screen (auto adjust, clock, phase, H. position, V. position, reset), general settings 2 (auto power off, network standby, power management, auto signal detection, auto play, local KB lock, RC lock, monitor ID, LED, pixel shift, information, factory reset) |

## 05 MECHANICAL

|                             |                                   |
|-----------------------------|-----------------------------------|
| Orientation                 | landscape                         |
| Fanless design              | yes                               |
| VESA mounting               | 400 x 400mm                       |
| Operation temperature range | 0°C - 40°C                        |
| Storage temperature range   | - 20°C - 60°C                     |
| MTBF                        | 50000 hours (excluding backlight) |

## 06 ACCESSORIES INCLUDED

|                |                                 |
|----------------|---------------------------------|
| Cables         | power, HDMI, RS-232c            |
| Guides         | quick start guide, safety guide |
| Remote control | yes (batteries included)        |

## 07 POWER MANAGEMENT

|                   |                                           |
|-------------------|-------------------------------------------|
| Power supply unit | internal                                  |
| Power supply      | AC 100 - 240V, 50/60Hz                    |
| Power usage       | 77W typical, 0.5W stand by, 0.3W off mode |

## 08 SUSTAINABILITY

|                                                     |                                                         |
|-----------------------------------------------------|---------------------------------------------------------|
| Regulations                                         | CB, CE, TÜV-Bauart, EAC, RoHS support, ErP, WEEE, REACH |
| Energy efficiency class (Regulation (EU) 2017/1369) | G                                                       |
| REACH SVHC                                          | above 0.1%: Lead                                        |

## 09 DIMENSIONS / WEIGHT

|                              |                    |
|------------------------------|--------------------|
| Product dimensions W x H x D | 972 x 560 x 67.5mm |
| Box dimensions W x H x D     | 1070 x 690 x 139mm |
| Weight (without box)         | 8.8kg              |
| Weight (with box)            | 12.3kg             |
| EAN code                     | 4948570120925      |
