# Deimos Pro 5MP Bullet Camera with 2.7-13.5mm Motorized Lens & IR 40m, Active Deterrence, PoE, IP66 - NDAA

Deimos PX-415IRAD

- 1/2.8" progressive scan CMOS
- 2592×1944 @ 25/30fps (5MP)
- Smart IR up to 40m
- WDR, 3D DNR, ROI, HLC, BLC, Defog
- Support face, human, vehicle detection and capture
- Supports strobe-light and audible alarms linkage to warn intruders off
- 1/1 audio in/out, 1/1 alarm in/out. Built-in microphone and speaker
- Power Supply DC12V / POE (IEEE 802.3af)
- IP66
- 5 Year Warranty
- ONVIF (Profile S/T/G/M), SDK, CGI

## Specifications

|                     |                                    |                   |
|---------------------|------------------------------------|-------------------|
| Audio               | Audio formats supported            | G.711, PCM        |
|                     | Audio input channels               | 1 channels        |
|                     | Audio output channels              | 1 channels        |
|                     | Built-in microphone                | Yes               |
|                     | Built-in speaker(s)                | Yes               |
| Camera              | Camera pan control                 | No                |
| Design              | Housing material                   | Metal             |
|                     | International Protection (IP) code | IP66              |
|                     | Mounting type                      | Ceiling/Wall/Pole |
|                     | Product colour                     | White             |
|                     | Weatherproof                       | Yes               |
| Image sensor        | Optical sensor size                | 1/2.8 "           |
|                     | Progressive scan                   | Yes               |
|                     | Sensor type                        | CMOS              |
| Lens system         | Focal length range                 | 2.7 - 13.5 mm     |
| Management features | Firmware upgradeable               | Yes               |
|                     | Remotely operated                  | Yes               |
|                     | Reset button                       | Yes               |
| Network             | Cabling technology                 | 10/100            |
|                     | Ethernet LAN                       | Yes               |
|                     | Wi-Fi                              | No                |

|                        |                                   |                                                             |
|------------------------|-----------------------------------|-------------------------------------------------------------|
| Night vision           | Infra-red wavelength              | 850 nm                                                      |
|                        | LED type                          | Infrared light                                              |
|                        | Night vision                      | Yes                                                         |
|                        | Night vision distance             | 40 m                                                        |
| Operational conditions | Operating relative humidity (H-H) | 0-90 %                                                      |
|                        | Operating temperature (T-T)       | -40 - 55 °C                                                 |
| Other features         | Dimensions (WxDxH)                | 303 × 100 × 107 mm                                          |
| Performance            | Alarm input/output                | Yes                                                         |
|                        | Connectivity technology           | Wired                                                       |
|                        | NDAA Compliance                   | Yes                                                         |
|                        | Placement supported               | Indoor & outdoor                                            |
|                        | Type                              | IP security camera                                          |
|                        | Wide Dynamic Range (WDR)          | Yes                                                         |
| Ports & interfaces     | Ethernet LAN (RJ-45) ports        | 1                                                           |
| Power                  | Power consumption (max)           | 13.5 W                                                      |
|                        | Power over Ethernet (PoE)         | Yes                                                         |
|                        | Power source type                 | PoE                                                         |
| Security               | Alarm input channels              | 1                                                           |
|                        | Alarm output channels             | 1                                                           |
|                        | Mirror                            | Yes                                                         |
|                        | Password protection               | Yes                                                         |
|                        | Video motion detection            | Yes                                                         |
| Storage                | Card reader integrated            | Yes                                                         |
|                        | Maximum memory card size          | 256 GB                                                      |
| Technical details      | Voltage                           | 12 V                                                        |
|                        | Warranty period                   | 5 year(s)                                                   |
