ALOGIC Charging Dock for Apple watch is a small and portable dock that you can carry with you when you travel. Plug this dock into a USB-C port on your Wall charger, MacBook, MacBook Pro or any laptop and can now charge your Apple Watch. This dock also seamlessly fits into the ALOGIC matrix charging system, to give you a great all in one solution. Small form factor means that you can carry this with you on your travels.

Connects to Matrix Charging Docks

Upgrade your Matrix 2-in-1 charging dock into tidy 3-in-1 charger with the addition of a Matrix Apple Watch Charger

Connects to Matrix Power Banks

With enough portable power to recharge your watch at least ten times, the Matrix Power Bank is a must have for long trips off the grid

Connect To almost any USB-C port

Matrix Apple Watch Chargers work with your laptop, the USB ports in your car - just about any USB-C port you can find.
