

ThinkBook 13s G4 IAP

This thin and light 13.3" entry-level notebook with an array of powerful features ensures optimum everyday productivity, even on-the-go. It comes with 12th Generation Intel Core i7 processor and Intel Iris Xe Graphics – means create and edit content, or work on web-based apps with ease. Save and load heavy media files swiftly with up to 1TB super-fast SSD storage. Work on-the-move without worrying about battery drain, thanks to a battery life of over 10 hours.

Create content with crisp detail and colour accuracy, thanks to 100% RGB color gamut and up to 400 nits brightness. With 2 x speakers with Dolby Audio, experience clear sound quality. The TÜV Rheinland panel protects the eyes from strain during long working hours.

Smart power on enables instant login, with just a touch. And with Wi-Fi 6 connectivity, download and upload files swiftly, from anywhere, no matter how crowded the network.

Minimum preloaded applications mean maximum battery life and responsiveness for users and faster deployment for IT admin.

Lenovo devices that are a class apart
