

MPN: ES602270-BULK

# INFINITE (GRS) USB-C to Lightning Cable MFI 2m White. Recycled Plastic. Super Soft

## INFINITE - BECAUSE THE ENVIRONMENT MATTERS

INFINITE is eSTUFF's product line for products made with an environmental focus.

### Responsibly Produced

The plugs and jacket contain 100% Global Recycled Standard\* certified post-consumer recycled TPE, and the conductor insulation contain 100% Global Recycled Standard\* certified recycled PE, certified by Control Union 1409828.

**Packaging:** In a recycled plastic bag.

### Durability

The cable is extremely durable. It is equipped with full laser-welded reinforced connectors and can withstand more than + 35.000 180° bends. The added Kevlar gives the cable a pull strength of +50 kgs.

### Ultra Flexible

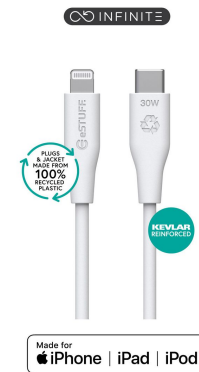

Due to the super soft material the cable can be bended and twisted endlessly and still remain untangled.

### MFI Certified

Ensuring complete compatability and superior performance with all Apple devices using a Lightning connector.

\* The Global Recycled Standard verifies recycled material and tracks it from the source to the final product. In addition, facilities from the source to final supplier have met social, environmental, and chemical requirements.

- Jacket and plugs contain 100% post-consumer recycled Thermoplastic Elastomer (rTPE)
- PVC free cable
- Kevlar® wire inside the cable with +50 kg pull strength
- Tested to withstand more than 35.000 180° bend cycles
- Supports up to 5V/2.4A charging

## Specifications

|          |                         |                                              |
|----------|-------------------------|----------------------------------------------|
| Features | Cable length            | 2 m                                          |
|          | Cable material          | Copper                                       |
|          | Certification           | MFI                                          |
|          | Compatibility           | All Apple devices with a lightning connector |
|          | Connector 1             | Lightning                                    |
|          | Connector 1 form factor | Straight                                     |
|          | Connector 1 gender      | Male                                         |
|          | Connector 2             | USB C                                        |
|          | Connector 2 form factor | Straight                                     |

|                    |                            |                                                     |
|--------------------|----------------------------|-----------------------------------------------------|
| Features           | Connector 2 gender         | Male                                                |
|                    | Connector contacts plating | Nickel                                              |
|                    | Jacket material            | Recycled Thermoplastic Elastomer (rTPE)             |
|                    | Maximum data transfer rate | 480 Mbit/s                                          |
