

# SCO Kiosk Top Module - 02

SPSK100-02

The SCO kiosk top module is the heart of your kiosk solution, whether floor or counter mounted. The configurable nature of the top module also allows for the attachment of a peripheral arm for example, the addition of a payment device.

Mount any VESA 75 or 100 compatible screen OR tablet from 15" to 24"  
Screen tilt option (60°) to cater for different heights of users for optimum viewing

Key holes for easy screen mounting

Internal cable management for a neat installation

A range of mounting options for peripherals on the sides and at the top
