

12U 19in Hinged Wall Mount Server Rack Cabinet w/ Vented Glass Door

Product ID: RK1219WALH

This 12U Rack offers a durable solution for mounting valuable server equipment, routers, switches and other networking equipment while saving space and hassle. The sturdy 12U rack features a high quality steel design and a vented, tempered glass door to help keep your rack mount equipment safe and cool.

A suitable addition to any server room, wiring closet, manufacturing area, warehouse or locale where networking equipment requires an added level of protection, the 12U rack accommodates 19" wall mount devices (19" depth) and features a rear-hinged design that makes it easier to access cabling and device ports.

Certifications, Reports and Compatibility

Applications

Mounting standard 19 in. networking equipment in exposed or insecure locations

Features

- Unique hinged design swings open for easy access to a your equipment
- Removable side panels with lock.
- Cable pass-through at rear of cabinet
- Fan mounts for optional additional cooling
- Sturdy steel design
- Tempered, vented, lockable glass front door
