

ThinkBook 16 G4+ IAP

New-gen professionals can rely on this thin and light 16" notebook to stay productive from anywhere in the new normal. Choose from the latest 12th Generation Intel Core processors, Intel UHD Graphics or Intel Iris Xe Graphics, and discrete NVIDIA GeForce RTX graphics for a mobile device that best suits your everyday tasks. MIL-SPEC tested build and enhanced battery life make it ideal for remote use. Wi-Fi 6 connectivity lets you stay connected with optimum speed and work on-the-move.

The 16" IPS display with up to 350 nits brightness ensures the images are detailed and everything on the screen is of the highest quality. Attend calls with superior sound quality without any background noise, thanks to the AI-based noise-canceling microphones with Dolby Audio stereo speakers.

Equipped with a range of ports, such as Thunderbolt 4 port for ultra-fast transfer of large files. Connect up to 3 external monitors and other peripherals through onboard HDMI and USB-C ports.

Minimal preloaded applications mean maximum battery life and responsiveness for users, and faster deployment for IT admins.

Lenovo devices that are a class apart

ThinkBook combines the style and user experience of consumer devices with the security and business-class support of ThinkPad.

Lenovo services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..
