

ThinkBook 14s Yoga G3 IRU

The ThinkBook 14s Yoga G3 IRU is masterfully crafted with a combination of performance and latest innovation that you need. It is loaded with 13th Gen Intel Core i7 processors and Intel Iris XE Graphics to help users power through rigorous work challenges. With the support of a 360° hinge, users can flexibly transition the laptop into tent, tablet and stand modes. Plus, the feather-lite weight and max battery life of up to 15.8 hour makes it a go-to device in the market.

The ThinkBook features W-Fi 6 that lets hybrid workers stay connected with stable internet speeds while on the move. A wide array of standard and optional ports, including Thunderbolt 4 and USB 3.2 Gen 1 helps connecting to external displays, projectors and peripherals.

Its 14" multi-touch screen comes with an anti-glare display, 16:9 aspect ratio, 1200:1 contrast ratio to present visuals that are crisp and clear.

The device as a 14" screen dimension and weighs at just 1.5 kg (3.3 lbs). This makes it a perfect fit for a space of any size.

Lenovo devices that are a class apart

ThinkBook combines the style and user experience of consumer devices with the security and business-class support of ThinkPad.
