

ThinkPad P14s Gen 4 (Intel)

Powered by up to 13th Gen P Series Intel Core i7 Processor, this device is built for professionals who demand optimum performance. Combined with Intel Iris Xe and NVIDIA RTX Graphics, coders can handle computations in parallel, making it ideal for data processing and scientific simulations. With up to 48GB DDR5 memory, machine learning specialists can work on large datasets, perform feature extraction, and model training without the risk of crashing.

The 14" screen with up to 2.8K resolution offers more pixels with sharper visuals, ideal for business professionals who work with images, graphs, and charts. With an optional multi-touch touchscreen, navigate more intuitively using gestures like pinch-to-zoom, swipe, and tap.

Certified or recommended for use with: Adobe Photoshop, Adobe After Effects, Adobe Premiere Pro

Powered by up to 13th Gen P Series Intel Core i7 Processor, this device enables programmers to work with large datasets and training models and run multiple applications simultaneously.

Professional machines for advanced users

This 14" thin and light workstation is equipped with high-end graphics and processor, ideal for professionals who are always on the move.

Lenovo services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..

Return To Depot Repair Warranty

No-hassle repair process at a Lenovo service center
 Lenovo pays for all shipping between the customer and service facility
 Avoid unplanned operational expense with a simple annual fee

Accessories

Lenovo 65W USB-C GaN Adapter

Powered by Gallium Nitride (GaN), this charger is up to 55% smaller, 60% lighter, 30% more power-efficient, and allows you to charge USB-C devices faster than ever.

With a 1.8 m cable and adjustable output voltages (5V/9V/12V/15V/20V), you'll always have power when you need it.

It has 30% greater charging efficiency as well as lower operating temperatures.
