

LENOVO DEVICES THAT ARE A CLASS APART

ThinkBook combines the style and user experience of consumer devices with the security and business-class support of ThinkPad.

ThinkBook 14 G5 IRL

This new ThinkBook's sleek aesthetics with durable aluminum chassis and smart features make it an irresistible work device among the dynamic workforce today. Stay connected from anywhere with its Wi-Fi 6 and Bluetooth 5.1 connectivity features, and up to 10.4 hours of battery life. Moreover, EPEAT Gold and ENERGY STAR 8.0 certifications make it an energy-efficient device that helps reduce the carbon footprint.

REASONS TO BUY

- 1** Dolby Audio stereo speakers with dual-array noise cancelling mics make it easier to take calls on the go, without any background noise. Experience clear visuals even in low light conditions with up to 1080p FHD camera, which comes with a privacy shutter.
- 2** Comes with a range of onboard ports. Ultra-fast Thunderbolt 4 port connects high-speed devices, while an always-on USB-C Gen 2 port helps recharge other devices even when the ThinkBook is off.
- 3** A greener PC with EPEAT Gold and ENERGY STAR 8.0 certifications – means a more energy-efficient device that reduces power consumption.
