Max 6 bar pump pressure, 110 g/min continuous steam to remove all creases, 300 g steam boost, Lightweight and compact design, 1.4L tank for up to 1 hour of use

PSG2000/20

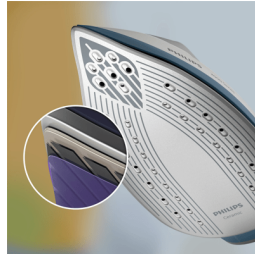

Highlights

300 g steam boost

Tackle stubborn creases with ease using a powerful 300g steam boost. Whether you're ironing heavy fabrics or everyday shirts, this steam generator iron delivers quick and efficient results, making ironing less of a chore and more of a breeze.

Ceramic soleplate

The ceramic soleplate glides effortlessly across any fabric, from denim to delicates. Designed to be non-stick and scratch-resistant, it stays clean and durable, helping your Philips generator iron maintain optimal performance over time.

130 g/min continuous steam

Continuous steam output of 110g/min penetrates deep into fabrics to remove even tough creases quickly. Ideal for long ironing sessions, this ensures consistent performance from your Philips steam generator, perfect for everyday clothing care.

Compact and convenient

Thanks to its compact size, it's light and easy to handle as you iron your clothes.

1.4 L water tank for long use

A 1.4 litre transparent tank gives you up to 1 hour of continuous use (in Eco Mode). See clearly how much water is left and refill easily at any time under the tank through the large filling door.

Max 6 bar pump pressure, 110 g/min continuous steam to remove all creases,
300 g steam boost, Lightweight and compact design, 1.4L tank for up to 1 hour of
use
