A6 VIDAA Series 4K UHD

Model 65A6KV

## Model: 65A6KV

4K Smart TV

The VIDAA Smart operating system is built with simplicity in mind, ensuring easy navigation and menu optimization. The A6KV works with popular voice assistants to integrate into your smart home. A built in UHD upscaler will also bring lower resolution content as close to 4K as possible to improve your viewing experience-no matter what you're watching. With Auto Low Latency Mode (ALLM), and Motion Rate (MR) 60, the A6KV TV is built to keep up with the fastest sports, movies, and ensuring minimal input lag while gaming. Wirelessly connect a soundbar or headphones with Bluetooth Audio capabilities.

VIDAA<sub>Smart</sub>

Hisense's new and improved VIDAA Smart OS is designed with simplicity in mind and gives you access to some of your favourite apps, including Netflix, YouTube, Prime Video, Disney + and FuboTV.

Auto Low  
Latency Mode

ALLM will optimize your settings to allow for smooth, lag-less, and uninterrupted interaction with your TV. MR60 ensures your TV will keep up with the fastest sports, movies, and movements during game play. ALLM works with the televisions built-in Game Mode to help with lower input lag and faster response times.

4K Upscaling brings lower resolution content up to as close to 4K as possible, improving your viewing experience of everything from USB media player content, to cable and DVDs.

DTS Virtual:X Technology is a versatile advanced post processing package that creates an immersive audio experience including psychoacoustic bass enhancements and multichannel virtual surround sound.

## TECHNICAL SPECIFICATIONS
