

Watch movies in ultra-clarity with 10.4” 2K bezel-less display

Massive 10.4" 2K display delivers true-to-life images for immersive visual enjoyment; the bezel-less screen is perfect for video streaming.

Impressive look and feel with a metallic design in a light & slim body

Easily carry it around and work on the go thanks to the light & slim body. With the aluminum back cover, it gives a premium look and feel, easily standing out from the crowd.

Powerful performance with Octa-core

The powerful Octa-core processor enables fast and fluid multitasking, lag-free HD video streaming and other power-hungry tasks.
