## We've got you covered

Keep the conversation going whenever, wherever in the office. Built for on-site employees the Poly Rove 20 wireless DECT™ IP phone solution delivers the freedom to move and the flexibility to scale as you grow.

### Clarity meets function

Designed for busy professionals, Poly Rove 20 handsets emphasize usability, functionality, and style. Enjoy HD voice for lifelike conversations, customizable line keys, and effortless call parking.

### You grow, we scale

You shouldn't have to worry about outgrowing your communication solution or feel held back by its options. Poly Rove 20 wireless DECT™ IP phone solution has the flexibility to scale with handsets, bases, and repeaters as you grow.

## Featuring

### Privacy is ensured

Conversations are safe and secure with DECT™ wireless security. And it doesn't stop there - maintain DECT™ encryption even when you add a base or repeater to your solution.

### Extended battery life

Enable employees on the move to communicate more effectively, respond faster to requests and alerts, and be more productive with up to 35 hours of talk time (Eco-mode) and up to 300 hours of standby time.

### Grab a Poly headset and go

Communicate hands-free with a Poly wired headset using the dedicated 3.5 mm connection. Perfect for users who feel more comfortable wearing a headset.<sup>1</sup>

### Easy-to-clean handsets

Ideal for healthcare environments, these handsets are specifically designed for easy cleaning with smooth surfaces and no gaps between buttons.<sup>1</sup>

### Pro-grade features

Single-cell DECT™ handset with 4-line keys and easy call park functionality. Push-to-talk for inter-handset communication. And with the 2" TFT color LCD with backlight users will see productivity soar.<sup>1</sup>

### HD audio quality

HD voice enables more natural conversations to enhance productivity. Voices stay in the forefront - background noise suppression lets people on both sides of the call focus on the person speaking, not their surroundings.<sup>1</sup>
