# Poly Sync 10 Speakerphone + USB-A to USB-C Cable

## Instant conference room

Turn your home office into a conference room. The all-in-one Poly Sync 10 USB speakerphone delivers high-quality audio that's great for voice and music. Its two-microphone array reduces surrounding noise for better conference calls.

| **Simple to use** | **Hear and be heard** | **Works the way you do** |
|---|---|---|
| User-friendly, worry-free operation for the confidence of knowing your calls will go smoothly. Easy-to-use touch-sensitive controls, clear LED indicators, and clear, bright call status light bar. | Dynamic audio that makes conference calls seamless and clear. A two-microphone array keeps surrounding noise out of your call. And full-duplex audio enables simultaneous conversations so everyone on the call can be heard. | Durable and space saving, this IP64 dust- and water-resistant speakerphone fits your workstyle. Use your favorite collaboration apps without hassle and free up table space with its slim, dynamic design. |

**Two-microphone array**
Experience conference calls with outside noise and distractions tuned out. A two-microphone array focuses on your voice – not the surrounding noise.

**Full-duplex audio**
Collaboration gets tough when one voice dominates the conversation. Full-duplex audio makes simultaneous conversations a breeze.

**Touch-sensitive controls**
It's easy to spot and control your call status directly on the device. Stay in control with easy-to-use, touch-sensitive controls and a clear LED indicator.

**Dust-and-water resistant**
Accidents happen – especially on the go. That's why durability is top of mind. Protect your investment from real-life hazards with a device that's IP64 dust and water-resistant.

## Datasheet

# Poly Sync 10 Speakerphone + USB-A to USB-C Cable

## Specifications

### Compatible with
