

# Poly Blackwire 3225 Stereo USB-A Headset (Bulk)

\*Product image may differ from actual product

## Freedom to work your way

The Blackwire 3200 Series provides a quality audio experience in a headset that's built for enterprise needs. With a sleek design and flexible microphone boom for a customizable fit, what's not to love?

### Poly signature audio quality

Experience the high-quality audio you expect from Poly with a headset that offers PC wideband, a noise-canceling mic, and hi-fi stereo sound options. Dynamic EQ optimizes call quality and automatically adjusts the settings for listening to multimedia.

### Advanced connectivity

Ideal for managing calls on your PC, mobile phone, or tablet combined with the comfort and durability of a corded headset for greater flexibility.

### Long-lasting comfort and portability

Relax while you talk knowing your headset is secure—lightweight metal headband offers durability plus a custom fit. Leatherette ear cushions fold flat for easy portability.

## Featuring Enhanced call quality

Dynamic EQ optimizes the quality of your voice on calls, and automatically adjusts the EQ settings when you want high-quality sound for listening to music or for multimedia playback.

### Connectivity options

Select the right option for your device: USB-A or USB Type-C® for PC and 3.5 mm for mobile connectivity with select models.

### Wearing style

Hi-fi stereo wearing style for those who want a richer, more immersive experience.

### Comfort and design

A lightweight metal headband offers durability and a comfortable custom fit.

### Simple call management

Use the intuitive inline controls to answer/end calls, control volume, and mute to simplify call management. Conveniently placed indicator lights provide helpful but unobtrusive user call, mute, and volume status.

### Optimized for communications platforms

An IT manager's dream, this headset was created for communication and is optimized and certified to work with top virtual meeting providers.
