Poly CCX 700 Business Media Phone with Open SIP and PoE-enabled

*Product image may differ from actual product

The connection is real

The Poly CCX 700 showcases a pinpoint-sharp integrated video camera and large 7" screen. Count on quality audio from Poly to keep conversations on track. Included Wi-Fi makes it easy to install in your preferred location.

Look and sound professional

Hear every nuance with Poly HD voice and Acoustic Clarity technologies. Enhance your image with autofocus and autoexposure. Reduce background noise with Poly Acoustic Fence and NoiseBlockAl technologies.

No downtime or learning curve

The CCX 700 desk phone supercharges user collaboration and productivity with a gorgeous ergonomic design; a large, intuitive user touchscreen interface; and a dedicated Applications button.

Featuring

Video camera with privacy

Video calling with the integrated 4-megapixel camera with autofocus and autoexposure presents you looking your best — with a privacy shutter for when you need it.

Color touchscreen display

Simple touch-access to contacts, meetings, and voicemails — with a large 7" color LCD display.

Hands-free speakerphone

Full-duplex speakerphone operation with quality echo cancellation and Poly NoiseBlockAl technology.

Integrated Wi-Fi

Easy to install in your preferred location with integrated Wi-Fi.

The choice is yours

Integrated Bluetooth®, 2 USB ports, RJ9 and EHS ports mean you can go hands-free with more Poly headset choices than ever before – even the Voyager Series.
