USB video bar for clear collaboration

Quality audio and video for mid-sized rooms. Poly Studio is an easy-to-use USB video bar designed for medium meeting spaces. Advanced acoustics ensure everyone sounds their best. Poly DirectorAI smart camera technology shows just enough of the room.

Be clearly seen

See the important details with built-in group and speaker framing provided by Poly DirectorAI smart camera technology.

Catch every word

Powerful stereo speakers ensure everyone can hear. A six-microphone array gives you the confidence your ideas will come across clearly.

Silence distracting sound

Poly NoiseBlockAI and Acoustic Fence technology tune out distracting sounds and outside conversations that interrupt meetings.

Featuring

NoiseBlockAI technology

Poly NoiseBlockAI technology reduces distracting sounds.

Acoustic Fence technology

Poly Acoustic Fence technology keeps voices outside the room from interrupting your calls.

Microphone range

Up to 15 ft/4.6 m of microphone pickup range, or further with optional expansion mics.

Hi-fidelity speakers

High-fidelity stereo speakers fill the room with sound so that remote participants can be heard clearly.

Poly DirectorAI technology

Smart camera with Poly DirectorAI technology automatically frames the room or tracks the person speaking for deeper engagement.

120-degree field of view

See everyone in the room while avoiding fisheye distortion with its ultra-wide 120-degree field of view.

Poly Studio USB Video Bar
