

# Poly Rove 40 DECT Phone Handset

\*Product image may differ from actual product

## Stay protected and connected

Guard your most critical conversations whenever, wherever in the office with the Poly Rove 40 wireless DECT™ IP phone solution.

### Durable handsets

Keep your onsite employees productive with handsets that include ruggedized and antimicrobial protection built to withstand all that life throws at it. Drops, dust, water – these pro-grade handsets will go the distance <sup>1</sup>.

### You grow, we scale

You shouldn't have to worry about outgrowing your communication solution Poly Rove 40 wireless DECT™ IP phone solution has the flexibility to scale with handsets, bases, and repeaters, as your organization grows.

## Featuring Durable IP65-rated handsets

Maintain confidence that your devices will last and that your investment is protected: The ruggedized handsets are drop proof and IP65 dust-tight and water resistant.<sup>2</sup>

### Privacy is ensured

Conversations are safe and secure with DECT™ wireless security. And it doesn't stop there - maintain DECT™ encryption even when you add a base or repeater to your solution.

### Stay connected longer

Enable employees on the move to communicate more effectively, respond faster to requests and alerts, and be more productive with up to 18 hours of talk time and up to 300 hours of standby time.

### Grab a Poly headset and go

Communicate hands-free with a Poly wireless or wired headset using the built-in Bluetooth® or the dedicated 3.5 mm connection.

### Easy-to-clean handsets

Ideal for healthcare environments - these handsets are specifically designed for easy cleaning with smooth surfaces and no gaps between buttons.
