

TCL TAB10L Gen2

10.1" IPS Display.
6000mAh battery.
Android 13.

TCL TAB10L Gen2

Binge movies on a 10.1" IPS display with a stylish design

The large 10.1" IPS display delivers vivid images for amazing visual enjoyment. Easily carry it around, read e-books and watch videos on the go thanks to the light & slim body.

Longer-lasting performance with a massive battery

The 6000mAh battery enables prolonged reading and up to 10hrs streaming. The fast charging allows you to power up the tablet in just a fraction of the time it takes to do it the old-fashioned way.

Optimized user experience with Android 13

The latest operation system of Android 13 is optimized for large screens and ensures a powerful and intuitive multitasking and improved compatibility experience.
