MPN: MC-PE001DKW-OE

Type K - Open End Power cable, 1m, White

The MC-PE001DKW-OE is a high-quality Type K power cable, featuring an open end for customized connections. This 1-meter white power cable is ideal for various applications requiring a reliable and adaptable power source. Built to European design and quality standards, this cable ensures safe and efficient power delivery. MicroConnect has over 20 years of expertise in providing premium connectivity solutions, and this cable exemplifies our commitment to quality and innovation. Its robust construction guarantees durability, while the open end allows for tailored installations. Perfect for both professional and DIY projects, this power cable delivers performance and versatility at a fair price.
