MPN: MC-EDBGRU0602W

Danish Power Strip 6-way White, with 2m EDB cable

The MicroConnect MC-EDBGRU0602W Danish Power Strip offers a reliable and convenient solution for expanding power access in your home or office. Featuring six power outlets, this white power strip allows you to connect multiple devices simultaneously. Its integrated 2-meter EDB cable provides ample reach to connect to wall outlets, offering flexibility in placement. Designed with durability and safety in mind, this power strip adheres to strict European standards, ensuring safe and efficient power distribution. MicroConnect, with over 20 years of experience, delivers premium quality power solutions like this one, combining functionality with peace of mind. Ideal for powering computers, peripherals, and other electronic devices, this 6-way power strip is a must-have for any modern workspace.
