MPN: MC-EDBGRU0310W

Danish Power Strip 3-way White, with 10m EDB cable

The MicroConnect MC-EDBGRU0310W Danish Power Strip offers a reliable and convenient power distribution solution. Featuring three outlets, this white power strip is ideal for homes, offices, and workshops. Equipped with a generous 10-meter EDB cable, it provides extended reach and placement flexibility, eliminating the need for additional extension cords. Designed to meet stringent Danish safety standards, this power strip ensures the safe operation of your electronic devices. MicroConnect delivers premium quality at a fair price, backed by over 20 years of expertise in connectivity solutions. This power strip combines practicality with European design, providing a durable and efficient power management solution.
