MPN: MC-GRU0600DKW

Open-end Danish 6-way power strip, white

The MicroConnect MC-GRU0600DKW Danish Power Strip 6-way in White provides a reliable and convenient power distribution solution for your home or office. Featuring six standard Danish power outlets, this power strip allows you to connect multiple devices from a single wall socket. Designed with durability and safety in mind, this power strip adheres to strict European quality standards, ensuring secure power delivery for your valuable electronics. Its clean white finish blends seamlessly into any environment, while its robust construction guarantees long-lasting performance. Perfect for expanding your power options and organizing your workspace, this MicroConnect power strip offers premium quality at a fair price, backed by our 20+ years of expertise in connectivity solutions.
