MPN: MC-PE007EDBB-OE

Type K EDB - Open End, Power cable, 7m, Black

The MC-PE007EDBB-OE is a high-quality Type K EDB to Open End power cable, expertly crafted by MicroConnect. Measuring 7 meters in length and finished in black, this robust power cable is designed for reliable and safe power delivery. Ideal for connecting devices with an EDB connector to a power source where a custom termination is needed, its extended length provides flexibility in setup. Built to meet stringent European quality standards, this MicroConnect power cable ensures a secure and stable connection, reflecting our 20+ years of expertise in providing premium connectivity solutions. This cable offers both durability and performance at a fair price.
