Item Code: GLOSSMAG...

Transparent, ultra-protective case with scratch-proof finish

Features:

- Trasparent TPU and polycarbonate case: dual material for greater protection.
- Protection for edges and connectors
- Compatibile with MagSafe charging
- Contains magnets

Compatibility:

iPhone

DESCRIPTION:

GLOSS MAG designed to interact with Apple’s MagSafe ecosystem.

Thanks to its built-in magnets the case aligns perfectly with the phone and makes it possible to charge and dock with Apple MagSafe charger.

Made in dual material for extra protection and durability, backed up by Military Test certification. The case hugs onto the smartphone perfectly, protecting its edges and buttons without altering its design.
