Item Code: **STEELAPPWATCH..**
Steel strap for Apple Watch

Technical Features:

- Stainless steel band with Milanese weave
- Magnetic closure for perfect fit and stability on the wrist
- Secure system with magnetic attachment to the watch
- One size: adjustable strap to fit every wrist size
- Nickel-free

Compatibility: Apple Watch

USP:

Made of stainless-steel with Milanese texture. Nickel-free.

DESCRIZIONE:

STEEL BAND is a stainless-steel strap for the Apple Watch with a Milanese weave.

The practical magnetic closure ensures perfect fit and stability on the wrist, while the secure magnetic attachment system allows the strap to be firmly gripped to the watch face.

Available in one size, Steel Band is easily adjustable to the wrist. Moreover, being nickel-free, it can be worn by anyone.
