MPN: RDLAVS42UBL

by Logon 19" 42U Rack Cabinet 560 x 470mm Audio Video System

Model: Logon RDLAVS42UBL

Audio / Video system cabinets

Features

FIELD OF USE

These are 19" cabinets for housing audio-video equipments.

ROBUST STRUCTURE

Robust structure provides the sufficient strength required by the heavy equipments to be mounted thereon.

PASSIVE VENTILATION

Heat generated by the equipments inside is discharged with the maximum passive ventilation feature thanks to the louvered structure.

INTENSE CABLE INLET

Wide cable inlet holes at the lower chassis enable multiple cable harness inlets

Specifications

- Measurement (U): 42U
- Product dimensions (mm) : 557 X 470 X 1990
- Product net weight (kg) : 54.5
- Color: Black

Specifications

Features	**Castor wheels**	No
	Cooling type	Passive
