

MPN: RDLAK16U758BL

by Logon 19" 16U Rack Cabinet 750 x 800mm Soundproof

Model: Logon RDLAK16U758BL

SoundProof Server Rack With the 8mm smoked tempered glass model, you can easily see the accessory or device you have connected and add a different atmosphere to your office. Glasses used in soundproof cabinets are specially used to minimize sound leakage. The oval venting holes on the top and bottom of the cover at the back of the Soundproof cabinets allow air to flow out and keep the interior temperature at the lowest level thanks to the Soundproof special fan modules. Each accessory and device you install in the cabinet increases the heat inside.

The fan modules in the cabinet keep the air inside stable with the advantages of the ventilation holes and protect the devices.

Specifications:

- <bullet>Height Measurement: 16U</bullet>
- <bullet>Dimension: W=750mm x D=800mm x H=959mm</bullet>
- <bullet>8mm Glass door</bullet>
